

Restriction on Visiting Patients

Today, the spread of COVID 19 and Influenza has been becoming a concern. Therefore, we will restrict on visiting patients. Thank you for all your understanding and cooperation.

ONLY allowed to visit patients.

- Essential livelihood support for admitted patients
- Emergency visit due to the request from hospital

Please be aware on the following issues.

◆ Visiting Patients should be,

- Up to 2 people
- Only Adults (High school students or older)
- Less than 30 minutes

* Visitors with symptoms, such as fever (over 37°C), cough, diarrhea, nausea, etc are NOT allowed to visit.

◆ Please wear mask and wash hands in advance
