

～Telephone Re-Exams～

The hospital will continue to take measures to prevent infection by COVID-19.

In order to ensure social distancing in the hospital, please continue to use the telephone re-check service. You can apply for this service from the hospital website.

Q. How long will the system be active ?

A. This will continue until notified by the Ministry of Health, Labor and Welfare. Please note that this is a special measure and may be changed or terminated at any time depending on future circumstances.

Q. Is it okay if I just call the doctor?

A. As a rule of thumb, you should visit the clinic once every three months. Please pay the fee for telephone consultation when you come to the clinic.
