

NGUYEN THI NGOC LIEN (チョーライ病院 看護師 / 2017年10月29日～11月11日)

Within a short period of time, we have learnt and were aware of many things.

- UTH is well-equipped with modern and sufficient equipment.
- Very professional working style
- We learned how to logically arrange a neat and clean workplace which is base on 5S criteria.
- We obtained team leader skills and team work spirits.
- All of you are very friendly and kind to us and we acknowledge your kindly support within the time we stayed and received training in UTH
- All the knowledge and experiences we have learnt will be the precious foundation for us to perfectalize our work.

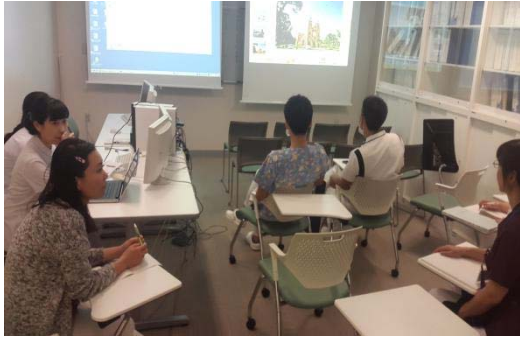

A neat and clean workplace

Modern equipments are organized

With Dr. Akiyama and ICU team

Meeting with term nurse ICU
