

# University of Tsukuba Hospital

## Disaster Prevention & Infection Control Building (Triage Building) Access Information

\* Please do NOT enter through the main entrance of the hospital.

Enter through the Ambulance Entrance. Look for the sign that says "Ambulances / Transport Vehicles Only" with a rotating red light on top. This is your landmark.

If you are unsure of the route, please contact us.  
English assistance is available.

**TEL 029-853-3683**

**Disaster Prevention & Infection Control Building**

**Designated Parking Area**

Continue straight in the right lane.

When you turn left at the stop line, you will see the designated parking area on the left side.
